TEAMS/CLUBS

Teams may represent clubs, recreation centers, Y's, companies or other groups. There is no limit to the number of runners on a team and the members of a team can vary from event to event in the Series.

Your team/club name must be clearly indicated on your entry form in order to qualify your points towards that team/club's standings. No changes or additions will be permitted afterwards.

SCORING

Individual - Each runner's time will be recorded and points awarded according to performance. The five best scores (including at least one race over 10K) will be totaled to determine Series standings. Runners in the 16 to 19 category will have the four best scores of all races. Runners in the 15 and under category will have the three best scores. Runners under 20 or 70 and over do not have to run a race longer than 10K to qualify for Series awards.
